BUZZ-OFF PRO MASK

Superior breathability and effective fly protection, the Buzz-off Pro Mask is designed for maximum functionality and unmatched performance.

The soft breathable fabric delivers an impressive >70% UV protection. The stiff fabric of the face mesh acts as a barrier against flies and offers UV protection.

A reinforced browband positions the mask away from the horse's forehead, allowing the high-tenacity face mesh to rest comfortably off the horse's face, ensuring ample eye clearance.

Soft fleece binding reduces friction, enhancing overall comfort.

Elasticated Hook & Loop closures offer convenient adjustability, ensuring a secure and customisable fit for your horse.

Features:

- Breathable fabric
- Buzz-Off mesh ears
- High-tenacity face mesh
- Soft binding to reduce friction
- Elasticated headpiece
- Hook & Loop closure to secure mask

Sizes: Small - XLarge

Product Code:

- 576 Buzz-off Pro Mask
